BREAKING NEWS

Wait! How did the media get the video

You are fired, effective immediately, for violation of employee contract!

2 months ago..

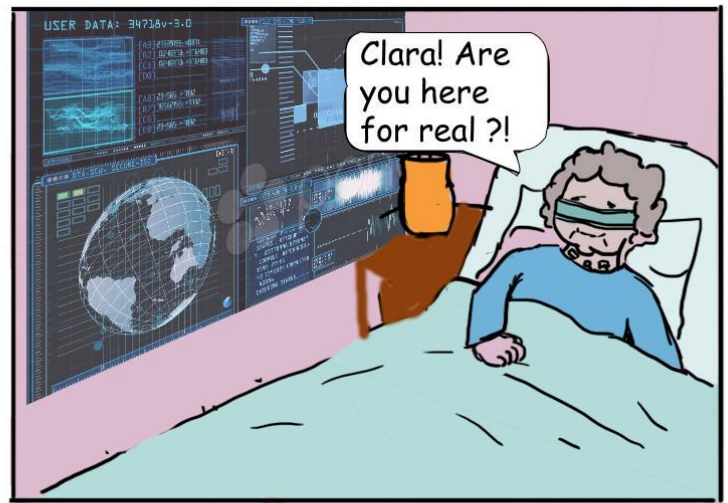

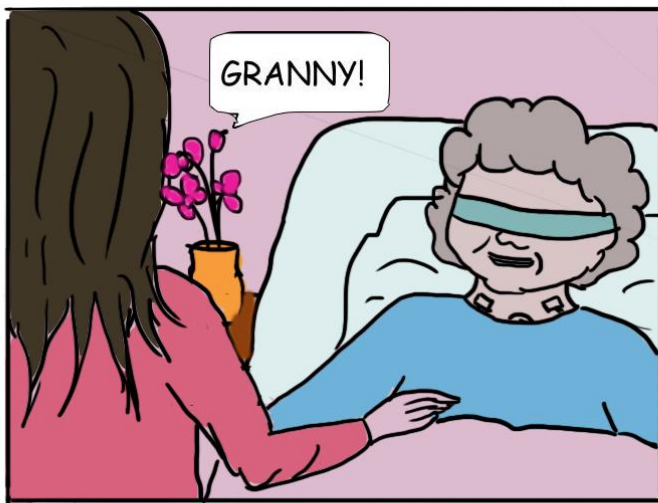

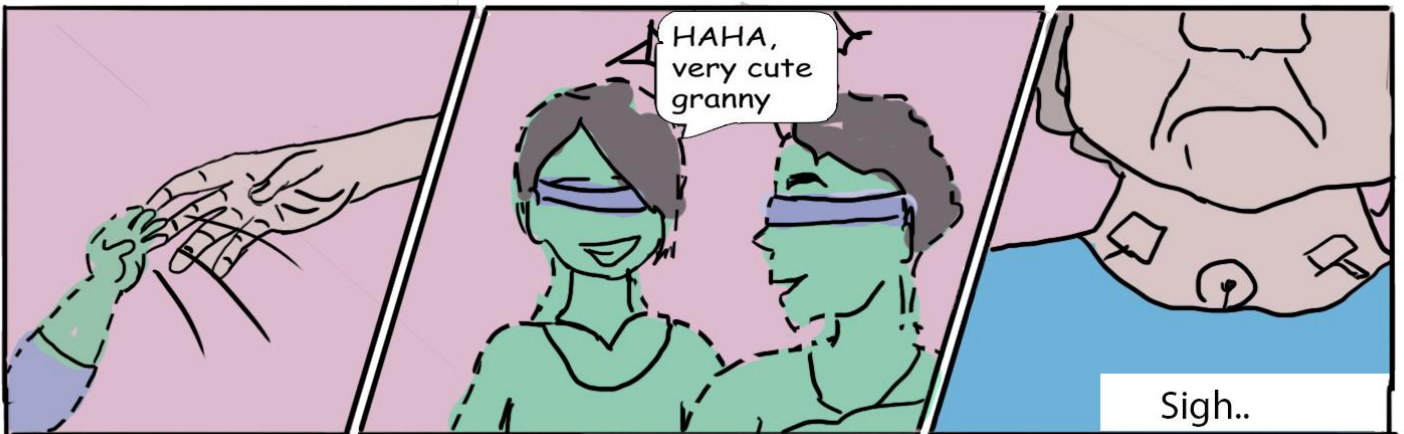

We should travel more. They are rolling out Alpha soon in other countries right?

Haha! If only! It's just on paper. The CEO has no intention to extend outside of America.

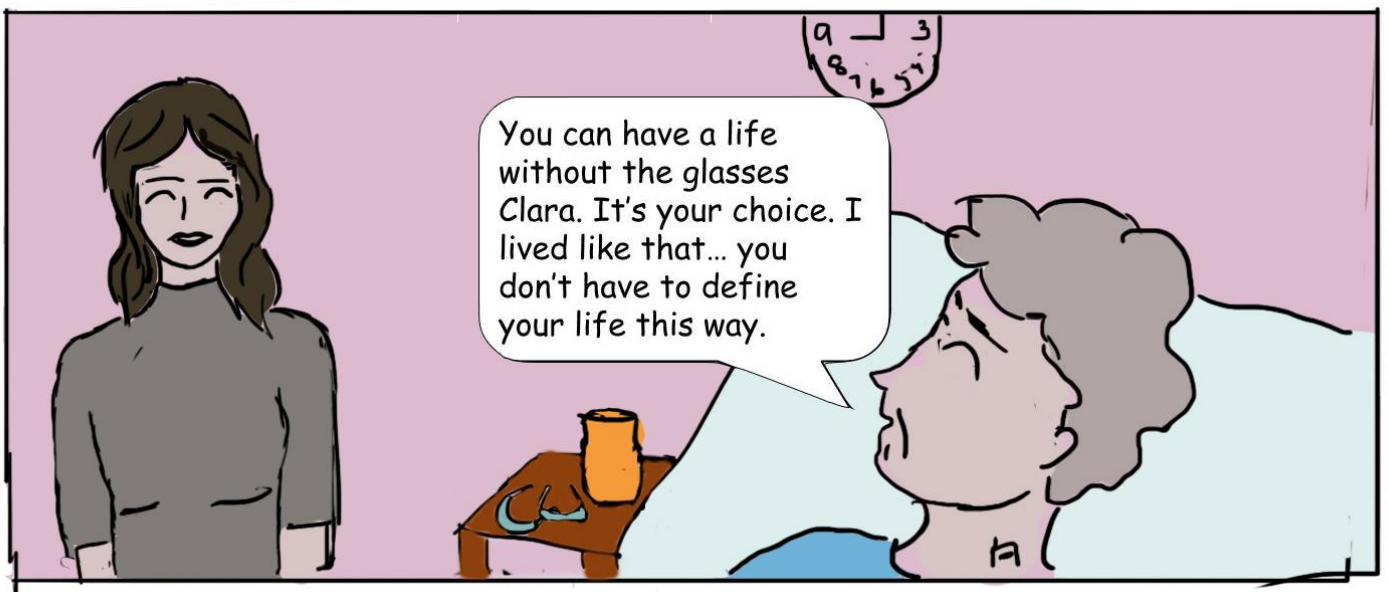

In despair Clara runs to visit her grandmother. She fears since her Alpha account is suspended, she won't be able to contact her friends or family...

Clara decides to remove her AlphaGlasses

As soon as Clara removed the AlphaGlasses, she felt a sense of relief and that surprised her

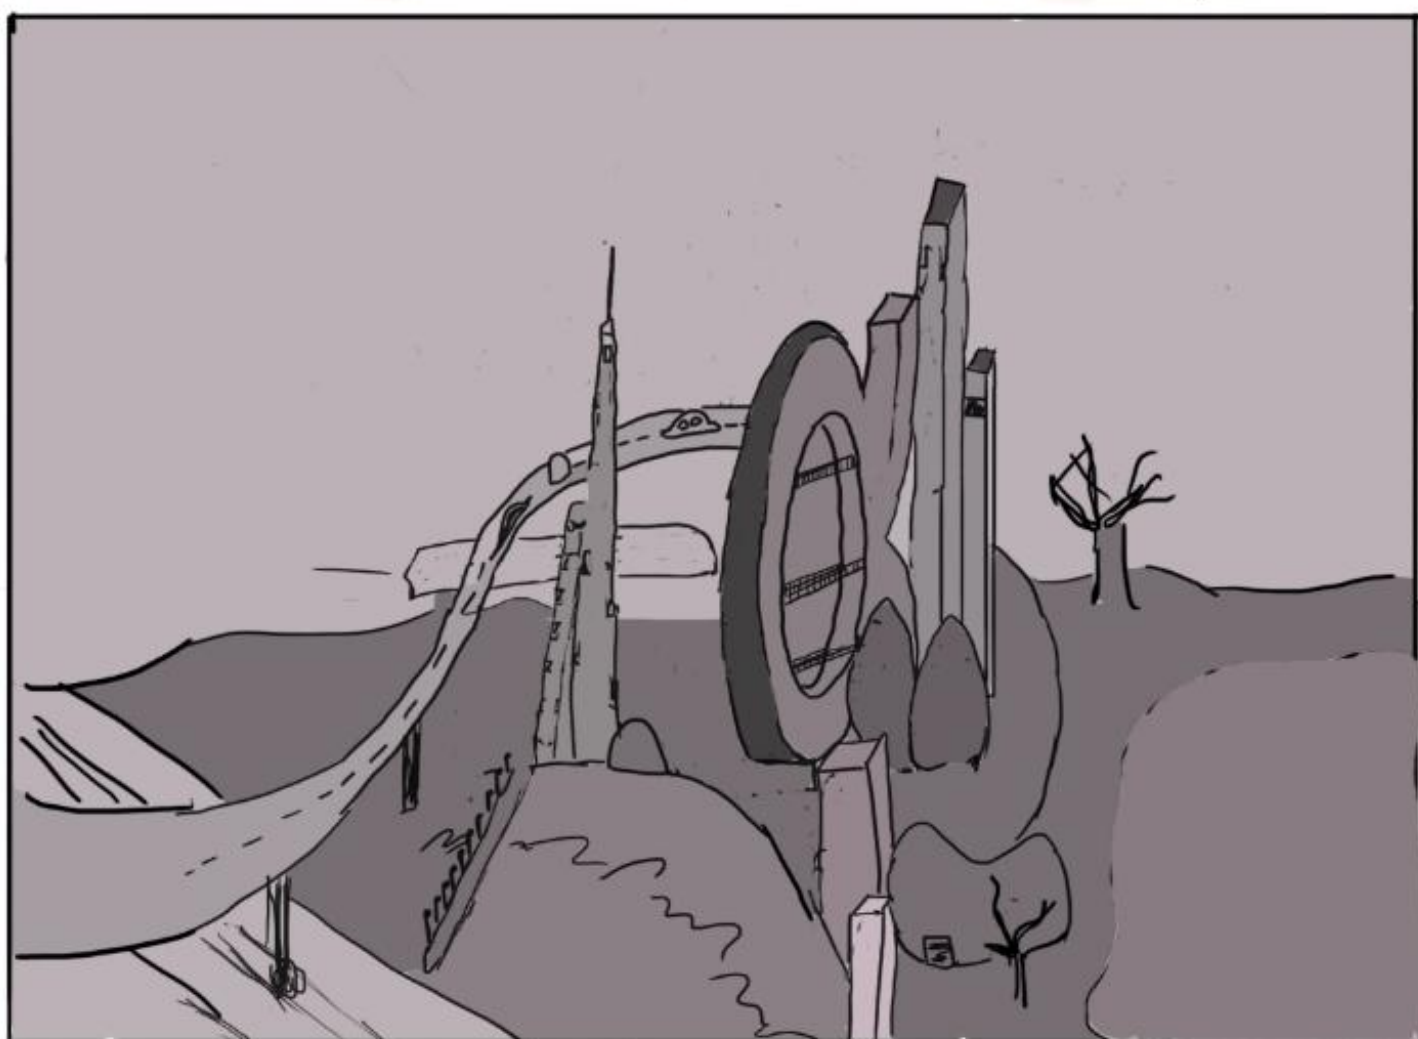

You can have a life without the glasses Clara. It's your choice. I lived like that... you don't have to define your life this way.

Were you happy grandma after Alpha?

Well.. you know, it's 'technology' and we adapt.. Anyway let us not get into my happiness levels and make the doctor change my treatment. I swear if he'd just stop listening to the walls and would listen to me instead..
